

**REMARKS**

Applicants elect Species I. The Restriction Requirement is traversed. Applicants respectfully assert that Figures 5-8 and 12 should be included with Figures 1-4 in Species I. Applicants further assert that Claim 24 is also generic, the clevis-type mounting 46 being shown in Figures 1-2.

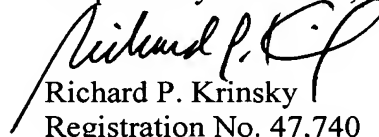

It is respectfully requested that upon allowance of one or more generic claims, Claims 25-31 and 33-35, which depend from generic claims, should also be considered and allowed.

The Specification (paragraph 56) is being amended to correct a clerical error designating a reference number in a figure of the drawings.

In view of all of the above, the Application is now deemed to be in condition for allowance, and such is respectfully requested.

It is respectfully requested that, if necessary to effect a timely response, this paper is considered as a Petition for an Extension of Time sufficient to effect a timely response and shortages in other fees, be charged, or any overpayment in fees be credited, to the Account Barnes & Thornburg LLP, Deposit Account No. 02-1010 (509/40513).

Respectfully submitted,
